Maricarmen Sanjuan, an International Coach from Argentina, will be running the seminar. Watch for more details as they are released. Keep these dates free so you can attend. We will still be having our Xmas disco Friday 15th 6:30 – 8:30 pm plus our normal public session on the Saturday.

CLUB CHAMPIONSHIPS This is the highlight of the club calendar for all our patch skaters. This competition will be held 9th – 10th December and is open to all skaters from pre-patch to international grades. Skaters in patch are learning their routines in term 4 during patch class. Entries with payment will close Tuesday 14th November at 6:30 pm. **NO LATE ENTRIES** will be accepted. More information for our Patch skaters will be given at a Patch Class meeting, or from one of the ladies at the front desk.

FOOD FOR CLUB CHAMPS Megan Hawley will be asking you to supply a plate of food for the Officials at our Club Championships. She will have a list of what is required and when your plate needs to be brought to the rink.

LEARN TO SKATE CLASS END OF YEAR PARTY The last class of the year will be held on **Tuesday December 12**. This will take the form of an end of year party with fun skating games, food and drink. **Please bring a plate of party food to share**. The club will provide a drink for all patch class skaters; family members are welcome to buy drinks. Please come along and have fun.

PATCH CLASS 2018 First class for 2018 will be on Tuesday 13th February; to start at 5:30 pm. Put it in your diary.

CHRISTMAS CLOSURE FOR MAINTENANCE It is planned that the rink will close for summer maintenance from Saturday December 23 2017 until Monday January 15 2018. During this period there will be working bees for painting and other maintenance work. Please could each family help with doing something around the rink. The only way we can all enjoy it is for us all to help maintain it.

2018 SATURDAY DISCOS our regular Saturday disco will start 27th January, 3:00 – 5:00 pm. A roster for this day and February, March will be emailed out to all mid-January. Please ensure we have your correct contact details.

SATURDAY DISCOS It is really important that all members (or their family if a patch skater) turn up to do their rostered duty for these discos. This is the Club's main income and helps to keep patch fees and rink fee costs down. If you are rostered on we try to remind you with an email from our Club Secretary.

REMINDER Please ensure the outside door is locked if you are last to leave the rink. Also please check to ensure all lights are turned off.
