# UPPER HUTT ROLLER SKATING CLUB

## Sk8ing Upd8

March 2020 No. 2

### *Memories*

In your March newsletter I promised that available photos from our Open Day would be published separately. At that time, I had intended to print them to put on the noticeboard for you all. Well, that idea is no longer going to work, so I have collated them here and asked Tania to publish them on the web. At least you will all have time to peruse them at your leisure.

Thankyou to the photographers who took all these photos for us, you've done a most comprehensive job. The sunlight in the morning was rather a nuisance and I've lightened some of the photos as much as possible. I am including all of them and hope you will all enjoy remembering what a fun weekend it was and how well everyone skated. Perhaps it will be something else to do while we all exist in our bubbles. Be safe everyone,  
Raynor
