STAGE FOR SKATERS**

FROM 10th TO 15th January 2019

BULLETIN N° 02

COACHES: WORLD SKATE INTERNATIONAL ARTISTIC COACHING SCHOOL

We would like to clarify a few important points:

1. The World Skate International Seminar is open to ALL coaches, judges and for the first time, skaters who will participate at the practical classes at a rink.
2. The World Skate International Artistic Coaching School is open ONLY to the coaches nominated by the National Federations. Each coach needs to fulfil the criteria required to be nominated (previously sent). Please note that the decision to confirm a nominated coach to participate at the World Skate International Artistic Coaching School program will be solely up to World Skate. The deadline for the National Federations to send the name and the information requested of the coach/es to artistic@worldskate.org is **November 30th 2018**. Please note that up to three coaches will be accepted for those nations that for the vastness of the territory need more places to meet the requirements of the project. The Artistic Technical Commission will analyse each situation and will decide if to approve three coaches instead of two.
3. Coaches who participate at the 1st World Skate International Artistic Coaching School training program in Orlando will be provided with all technical and course information for each World Skate coach to train level 1 coaches in their country. At the end of the classes there will be an assessment just to check if all the information has been well transposed.
4. The World Skate International Artistic Coaching School project is a long-term plan to address coaching and skater's skills quality around the world. This process is expected to take at least 3 years to be fully functional.
